before purchasing it in order to gauge whether or not it would be worth my time, and all praised Career Counseling: Work in Progress DVD:

0 of 0 people found the following review helpful. It gives you a great look into their job By Brian Thomas You basically get to shadow a Career Counselor for the day. We see multiple sessions with clients. It gives you a great look into their job. It was worth the money, but I wish it was longer.

The enclosed DVD presents five video case studies of real clients going through the career counseling process. This listing is for a DVD only. This DVD should be bought completely in the plastic wrap package and never used or opened for full usage and registration.
