The Career Handbook for Working Professionals is a comprehensive, self-directed guide to assist any job seeker through the career transition process, and applies to professionals at all levels and from all sectors. The handbook contains nearly 190 pages of content and exercises that are intended to make this transition a more productive and rewarding experience, whether you are looking to change careers or are looking for a new position in your current field. The handbook is designed to create focus and momentum around your goals while offering new frameworks,

ideas and perspectives. Whether you are unsure of your next move, are considering a few alternative paths, or are intently focused on a specific career, this handbook has what you need to help you take the next step in your career. The content is organized to reflect the different phases of the job search process starting with a Career Transition Roadmap, followed by Introspection and Self-Assessment, and continuing with Career Exploration and Job Search Execution. There is also a section on Additional Resources with many helpful websites and recommended readings to assist with the job search.
