**Shelly Field : Career Opportunities in the Sports Industry (Career Opportunities (Paperback))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Career Opportunities in the Sports Industry (Career Opportunities (Paperback)):

0 of 0 people found the following review helpful. Useful but thinBy RyanGood starting place to find careers in the sports industry. I found this book useful and highly interesting. I appreciate how the careers were set up. Basically there's a title, job description, outline, salary, and pros/cons. If you're looking to get into the sports industry but don't know what you want to do, I would recommend this book. I would have found a book like this useful if there were specific categories and not have everything just put together in a hodgepodge (i.e. professional/amateur athletes-specific sport). Good Starting place and I hope you find your career in sports.8 of 12 people found the following review helpful. Good, but needs more detailBy A CustomerThis is a good starting point for someone looking to get

into the sports field. However, I feel that it doesn't provide enough details. 1 of 3 people found the following review helpful. Great book for opportunities in Sport Management By C. McAlister This is a great book if you are looking for career opportunities in sports. I have enjoyed it.
