Thomas D. Clark : Career Strategies Workbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Career Strategies Workbook:

Designed to take the reader through the process of assessing skills and talents, developing a networking data bank, preparing job search marketing tools, and answering interview questions effectively.

About the Author Thomas D. Clark is Professor of Management in the Williams College of Business at Xavier University in Cincinnati, Ohio. Born in Paterson, New Jersey, he earned his B.A. from Drew University, and his M.A. and Ph.D. from Indiana University. He teaches Managerial Communications, Crisis Communications, and

Interpersonal Skills classes at Xavier University. He has been honored with numerous awards from the Small Business Administration for excellence as a coach of student small business consultants. Professor Clark has authored five books and over fifty scholarly articles on business communication in a variety of journals including the Journal of Business Communication, Business Communication Quarterly, the Journal of Management Education, the Quarterly Journal of Speech, Central States Speech Journal, Southern States Speech Communication Journal, and Communication Quarterly. He has served as President of CommuniSkills, a communications consulting firm, since 1983.
