**Research Education Association, Rea, Staff of Research Education Association : Careers for the Year 2000 and Beyond (Handbooks Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Careers for the Year 2000 and Beyond (Handbooks Guides):

For anyone interested in rewarding and successful career. Over 250 different careers described in detail, including information on potential earnings, educational and training requirements, working conditions, advancement opportunities, and outlook for the future. Included are special sections on finding work when unemployed, as well as a step-by-step guide to merchandising your talents through resumes and job interviews. An invaluable tool for all

individuals seeking a satisfying and rewarding career.
