WetFeet : Careers in Brand Management, 2005 edition: WetFeet Insider Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Careers in Brand Management, 2005 edition: WetFeet Insider Guide:

1 of 1 people found the following review helpful. Decent book for students By David PI think this would be a decent book for undergraduates or MBA students evaluating possible career options. This does not discuss the job position in detail, but it does give a very general overview of what to expect on this career track.

From Milk-Bone to Colgate, there are more brands in the marketplace than teenagers in a shopping mall. For those interested in brand management, this WetFeet Insider Guide explores typical career paths; what makes a brand successful; profiles of major players; industry trends; the salary, benefits, and company culture you can expect; and

online resources to aid in your job search.
