**From Ayer Co Pub : Cassell's Cyclopaedia of Photography (The Literature of Photography)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cassell's Cyclopaedia of Photography (The Literature of Photography):

0 of 0 people found the following review helpful. A rare jewelBy GreekmieI owned this book years ago and it got left behind when I moved. I've been looking for it ever since. It's a most unique photography book with information you won't find anywhere else.

comprehensive fascinating overview of the world of photography at the beginning of the 20th century. Includes biographical descriptions of great 19th 20th century photographers.
