Nigel Rees : Cassell's Humorous Quotations before purchasing it in order to gage whether or not it would be worth my time, and all praised Cassell's Humorous Quotations:

Who told novelist H.G. Wells "It is all very well to be able to write books, but can you waggle your ears?" (J.M Barrie, author of Peter Pan). Which star stated, "An actor's a guy who, if you ain't talking about him, ain't listening"? (Marlon Brando). Whatever the subject, someone said something wise, witty, sarcastic, or silly about it. These thousands of quotations, arranged thematically, will roll over everything you ever took too seriously. Now greatly expanded!

About the Author Nigel Rees is a writer and broadcaster whose interest in words and phrases is well known from his programme Quote...Unquote on the BBC Radio and his numerous appearances in 'dictionary corner' on Channel 4's perennially popular Countdown. He lives in London, W11.
