Esther J.J. Verhoef-Verhallen : Cats (Complete Encyclopedia Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cats (Complete Encyclopedia Series):

0 of 0 people found the following review helpful. nice photos and the breed information was greatBy Amy MWell laid out book, nice photos and the breed information was great. I run an animal rescue and looking breeds on the web is a pain so this is a great reference.

Dont let the size of the books fool you. They many be small but they are packed full of information along with beautiful color photographs. The indispensable reference is a handy, thorough guide with knowledgeable text written

by specialists in the field

About the Author Esther Verhoef-Verhallen has written several books on animals, and contributes a column to a number of weekly magazines. This encyclopedia is the fruit of her own experience as a dog owner, coupled with her extensive knowledge and expertise.
