Dr. Mara Matison Mr. Dainis Matison : Cecelia's Marketplace Gluten/Casein-Free Grocery Shopping Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cecelia's Marketplace Gluten/Casein-Free Grocery Shopping Guide:

1 of 1 people found the following review helpful. A must have if you're going GFCFBy Avid Reader In UtahWhat a difference this book made! The whole family was freaking out, until we realized that many GFCF alternatives are affordable, on the shelf of our 'normal' grocer, and taste good. In many cases, they are brands that we already know. It stays in my purse and I refer to it everytime I am in the store. I almost have the book memorized!2 of 2 people found the following review helpful. I would rate this book 10 stars if I could!By Michelle LeonardWhat a heaven sent book!! Takes all the guess work out of it for you! There are things in this book my son loves to eat, but I didn't think he could have. Like some of his favorite chips. This really helps me and takes a little stress off my life! It's well worth \$30 or even more! I was hesitant to pay \$30 for it, but now that I have it and I'm using it..it's so worth it!1 of 1 people found the following review helpful. Great Asperger's (GFCF Diet) ResourceBy S. VeenI was very impressed with this book in terms of advice on different foods available in a Gluten/Casien Free diet. I highly recommend this book as it gives more detail and examples of foods to eat.

Over 15,000 Gluten-Free Casein-Free Products!All products listed are gluten-free, casein-free, lactose-free milk-free.Frustrated in trying to find Gluten-Free Casein-Free (GFCF) Products in your grocery stores? Tired of calling food manufacturers and guessing on nutrition labels? Well, help is here! Introducing Cecelias Marketplace

Gluten/Casein Free Grocery Shopping Guide! This easy to use 4.5" x 6.5" book lists thousands of gluten-free casein-free products. Popular brands like Heinz, Kraft, Del Monte, Frito Lay, as well as supermarket chains, such as Kroger, Wal-Mart, Publix, Safeway, Whole Foods, and more. Just pick a product, look it up, and all the gluten-free casein-free brands are at your fingertips. Unlike CD-ROMs or computer software, this book is easy to carry to the grocery store for easy product confirmation anytime, anywhere. The book easily fits in one's purse or back pocket. Either take this book with you or make your grocery list before you leave the house. This guide is not only designed for people with celiac disease, autism, and gluten/casein intolerance, but excellent for family members, friends, chefs, dietitians, or others that needs to prepare GFCE meals or learn about GFCE products. In addition, Cecelia's Marketplace Gluten/Casein Free Grocery Shopping Guide includes 'Gluten/Casein Free Kitchen Tips' which gives family members, friends or chefs specific tips on how to avoid contamination in the kitchen.
